With an abundance of natural light this home offers plenty of space for the entire family to enjoy. From the moment you enter you are greeted by a formal foyer, spacious dining room and light filled front to back living room. The gourmet kitchen is the perfect space for the family who enjoys entertaining. With plenty of prep counter space, an island and separate peninsula there is lots of room for all to gather. The second floor boasts five generous bedrooms and three full baths! The heart of the home is undoubtedly the light and bright sun-room. Relax and read a book or take in the beautiful back yard from this unique bonus space. Plus, the kitchen and sun-room both offer direct access to a sizable back deck overlooking the expansive backyard.
